

Remark

The Examiner, rather than submit an Answer to Appellant's Brief, has reopened prosecution, allowing claims 26-55. Claims 1- 25 have been previously cancelled. In this amendment, Appellant cancels claims 56-72 leaving only the allowed claims 26-55. Accordingly, Appellant respectfully requests that the application be passed to issuance.

Appellant notes that the outstanding Office action was received with two different versions of Form PTOL-326, Office Action Summary. This is noted so that any errors or inconsistencies in the official record may be corrected.

Invitation for a Telephone Interview

The Examiner is requested to call the undersigned at (303) 740-1980 if there remains any issue with allowance of the case.

Request for an Extension of Time

Please charge any shortage to our Deposit Account No. 02-2666.

Respectfully submitted,
